

## 2019 VIRTUAL SUMMIT ON AGTECH THE INAUGURAL YEAR

In 2019, Jim Feuille, CPEVC Executive Director, and Rachel Baras and Matt Baer, Tuck Class of 2019 Center Venture Capital Fellows and Tuck Food & Ag Club Chairs, conceived of the idea for a virtual conference focused on agriculture and technology as a way to facilitate meaningful conversations focused on topics that are critically relevant to students and future leaders interested in or curious about the field.
