

2022 VIRTUAL SUMMIT ON AGTECH BEYOND AGTECH

The 2022 Virtual Summit on AgTech (also known as Food and Ag Conference at Tuck in 2022) brought together close to 800 attendees virtually over three days to watch, learn, and discuss the latest topics on food and agriculture.

On Day 1, we covered sustainable agriculture and carbon markets as part of our "Feeding the World" theme. On Day 2, we discussed changes in the supply chain including blockchain, labor, and waste. On Day 3, with our Plate of Tomorrow theme, we hosted panels on Plate Based food, early stage food funding, and cultivated meats.

**KLEIN
CONSTANTIA**

Rabobank is a leading global financier to the food, agribusiness, commodities, and renewable energy sectors. With a strong commitment to sustainability and a mission of "Growing A Better World Together", Rabobank knows that sustainability and innovation are critical to promoting a thriving food and agriculture industry. This is a key focus of its Banking for Food strategy, which prioritizes feeding a growing global population for years to come.

Deere & Company (www.JohnDeere.com) is a world leader in providing advanced products, technology and services for customers whose work is revolutionizing agriculture and construction — those who cultivate, harvest, transform, enrich and build upon the land to meet the world's increasing need for food, fuel, shelter and infrastructure.

**KLEIN
CONSTANTIA**
— 1685 —

Dating back to 1685 and described as one of the world's most beautiful wine estates, Klein Constantia is set amidst ancient trees on the upper foothills of the Constantiaberg, with views across False Bay.

The perfect location for cool climate wines, Klein Constantia produces some of South Africa's top wines, including one of the world's best natural sweet wines, Vin de Constance.
